

# Immersive Technology Learning Management Systems

**Registration (free!)**

<http://bit.ly/2MdXHea>

**Address**

Androgogic offices, 26 National Street Leichhardt, NSW 2040

**6:00 to 6:10 pm**

Welcome & Introductions

**Pradeep Khana**

Executive Director Asia Pacific, Sydney  
President & Global Co-Chair Education  
VRARA

**6:15 to 6:35 pm**

How to demystify the doping control procedure? See how ASADA's innovative use of VR/AR in clean sport education helps young athletes. Chris will also talk about two new exciting AR/VR experiences that are currently in production!

**Chris Hume**

Assistant Director, Education and Innovation

Australian Sports Anti-doping Authority (ASADA)

Australian Federal Government

**6:40 to 7:00 pm**

XR and IoT technologies bring our physical and digital worlds closer together in increasingly richer ways. For creators and educators, this creates both opportunities and problems. Rodney will look at some old and new XR projects and introduce some theoretical threads along the way.

**Rodney Berry**

Advanced Technology Applications  
Researcher at CHOICE, Australia's  
consumer advocacy organisation

Creative Technologist at Little Owl and  
Common Knowledge Foundation

**7:05 pm to 7:25pm**

This presentation will look at how 360 degree cameras are pushing beyond learning frames and bringing rich immersive content into the online and mobile phone spaces via the use of Google cardboard. An exciting, practical and cost effective approach to put immersive learning into the minds of the online learner.

**Karen Young**

Senior Courseware Designer,  
Androgogic

**7:30 pm to 7:50 pm**

**Alexander Roche**

Principal Educational Technologist &  
CEO, Androgogic

How to make and use VR/AR/360 in your Learning Management System and make a difference to your learning and teaching. Includes notes on using SCORM and xAPI to integrate immersive technologies with existing systems.

**7:55 pm to 8:15 pm**

**Panel Session - Education using VR/AR/360 technologies: what can we do now and what does the future hold?**

1. Chris Hume, ASADA
2. Rodney Berry, CHOICE, Little Owl, Common Knowledge
3. Karen Young, Androgogic
4. Alexander Roche, Androgogic

**8.15 pm to 9:30 pm**

**Drinks & hors d'oeuvres**

Androgogic offers:

- In-house brewed beer including a smoked chocolate rye porter flavoured with fresh vanilla soaked in Tennessee whisky!!
- Hor d'oeuvres including wild shot pheasant.
